One Page Project Summary

The Department of Parks and Recteation's Whittier Narrows Recreation Area is requesting funding from the Commission to provide a youth and
family oriented event during the holiday season. This event with feature an employee dressed as Santa that will
distribute gifts and holiday cheer. This event will be held at the Whittier Narrows Recreation Area's North Legg Lake.
Park staff and California Department Fish and Wildlife staff will distribute balt and help with lessons on proper fishing techniques.
Displays will be set up to help with fish species identification, bait selection, techniques, and fishing regulations.
The funding from the commission will purchase 1500 pounds of trout for this event.
This program is both recreational and educational. It also provides some exercise in a beautiful park.

Purpose and goa	ls:
-----------------	-----

To provide basic instruction on fishing techniques, strengthen families and encourage participation in fishing.
Children and adults will benefit from either learning a new sport or improving their existing skills. This event
will also draw new patrons to the Whittier Narrows Recreation Area.

Geographic area served:

The County of Los Angeles Department of Parks and Recreation offers programs for local residents and visitors from around the world.

The Whittier Namews Recreation Area is open to everyone without regard to place of residence. It is a highly inclusive facility that brings people together.

Major sources and dollar amounts of corporate, foundation and government support during current and past fiscal year:

11110	Department of Parks and Recreation operates the Whittier Narrows Recreation Area through a combination of
gene	al fund monies, user fees, donations, sponsorships, grants, and endowments. Low cost and free
com	nunity events are dependent on sponsorship. A prime example of this are the fishing events, such as
Fishi	ng with Santa. The Fish and Game Commission has been instrumental in providing this type of program
and i	s indispensible in this regard.

Project Information

Statement of justification of need:

To provide this event to low income residents and visitors, we need this support from the Commission.
Department staff provide valuable learning opportunities with free rod and reel loan, free bait and prizes.
Legg Lake is located in an urban setting and attracts many people unable to venture to more pretime areas to enjoy this sport, so it is
vital that we provide this type of event.
Statement of purpose and goals:
This event has the goal of attracting 300 to 500 anglers to Legg Lake. These anglers will enjoy a day of fishing and learn new skills.
Of these visitors, it is our goal to make new visitors become repeat visitors that are responsible anglers.
Action plan to meet objectives:
These funds would be utilized to provide a no sest fishing event during the holidays. The funds would be used strictly for purchase of trout and
these fish would be planted in Legg Lake prior to this event. Staff would monitor this entire planting and event.
Coordination meetings would be held with the California Department of Fish and Wildlife's Fishing in the City Program to maximize
the benefit of this event.

The total budget for this event is \$8396. Of this \$2500, is for fish stocking. This stocking would be carried out in cooperation with Commission size and Department of Fish and Wildlife staff. Twenty park staff and volunteers would be utilized to host this event and would ensure that it is a successful event. Limited prizes, food and beverages would be provided dependent or other donations. Sources of other support for project: Currently, we are seeking additional support. For example, staff will seek donations from local merchants to	and wildlife:

Current status of project:
Staff are preparing filers, have reserved the site and are seeking donations.
Cash flow analysis of the expenditure of project funds:
The Department has budgeted staff time and space for this event. This includes:
Two Recreation Services Supervisors; Four Recreation Services Leaders; One Permanent Cashier;
One Recurrent Cashier, Two Grounds maintenance Worker II's, One Senior Grounds Maintenance Worker.
This year's event is based on last year's event and will duplicate its success.
Proposed method of evaluating results:
This event's success will be judged on attendance and visitor feedback. Staff will solicit this feedback during
event and report these results.
,

if this event is succes	sful, it will be	resubmitted	for funding in	2015.
